FROMTHEDESKOFTHERABBI

We are almost there My friends we are 2 weeks away from Rosh Hashana, and there are a few things that are on my mind:

We are importing a new dynamic youth leader for the High Holidays: Vered Bencheitrit. Her greatest joy is seeing each child shine in their own way! Vered is the Co-Founder of JCreative Group Inc. and is well known as DJ VB Rose, one of the only female DJ's in the Jewish community.

We have 2 chazanim this year Reb Zvi Katzman and Chazan Sheni Corey Kamen. Like Canseco and McGuire for those that remember (Google their names if you're not sure).

We need you to re-join right now. Rather than spending half of September getting our members to renew their membership, we would much rather be devoted to making our programming better. I think we could all agree to that.

This year, instead of a pre-Selichos talk we will be having a Kumzitz with Eldan Cohen . Kumzitz (קומציץ) is a compound-word in Hebrew derived from the Yiddish words קום (come) and זיט (sit). The word is used to describe an evening gathering where everyone sits together, be it on the floor or on chairs, and sings spiritually moving songs.

I can't wait to connect with all of you. Such a special time of the year :)

Stay Jewish, Be Jewish, Live Jewish,

Rabbi Elie

A modern twist on an ancient tradition. Slichos (poems and prayers that help get us ready for the High Holidays) begin September 21/22 (Saturday Night/ Sunday Morning) at 12:30 am. Join us as we start our evening with a Pizza Melave Malka (light meal) and a kumzitz led by our very own song leader Eldan Cohen – it will be like summer camp around the fire all over again! The evening culminates in the ancient Slichos liturgy being recited together.
