

## CBO HIGH HOLY DAY SERVICES 2019

Our community is stronger than ever. We have joined together, CBO and TISM, to strengthen one another and grow as a result of our union. Our High Holidays for the 2019-5780 year reflect the creativity and quality of experience that is the goal of our source of Jewish life on the South Shore. Below, you will find the schedule for the High Holidays, which will offer opportunities to worship and learn in the CBO buildings in both Bellmore and Merrick. Some services will be combined in Bellmore, while others will have simultaneous offerings in both buildings. We have put together a schedule of services that we believe both unite us and fulfill our diverse needs.

**All of the services below are open to all members of CBO, no matter where you belonged before the merger. You will have the opportunity to indicate which service you will be attending before tickets are issued.**
