## Haazinu

In the second verse of our Parsha, we are told that “My lessons (the Torah) should drop like rain, and My words should flow like dew.” Why the two expressions dew and rain?

Rain and dew represent two sources of religious inspiration and growth. Rain falls from the sky, and thus represents the times when religious inspiration comes from the heavens like in Yom Kippur or the Shabbos, or general times when God lights a divine spark within you. Dew, on the other hand, comes from the ground, and thus represents times of religious inspiration which come from within ourselves; when we produce our own inspiration with our own minds and efforts.

The pasuk is telling us our Torah and spirituality should encompass both types of inspiration. We have to take advantage of the inspiration that God grants us, but we can't wait for that! We have to make “dew” for ourselves and take the initiative.

Good Shabbos,

Rabbi Fink

## UPDATED MKHC COVID STATEMENT

Consistent with both NYS and the CDC, we no longer require masks for fully vaccinated individuals over the age of two.

Join us any Shabbat and help us to make a minyan! Contact Rabbi Pinchas Fink at [rabbi@mkhc.org](mailto:rabbi@mkhc.org) if you can join us for Saturday services or [visit our website, mkhc.org](http://mkhc.org).

### KOL NIDRE APPEAL

As we look forward after a beautiful Yom Kippur, we pause to consider the needs of our congregation at this auspicious time for charity.

As was the case last year, we did not conduct our usual in-person Kol Nidre Appeal to ensure that davening moved expeditiously. We ask you to continue your generous support. As in the past the Kol Nidre fundraising makes up a considerable portion of our Shul budget that dues alone does not cover. The MKHC family depends on us all. We should all be blessed with a G'mar Chatima Tova.
