An Evening with Irving Roth

How can the world community ensure “Never Again”?

**Dominion High School
Wednesday, April 3rd
7:00 PM to 8:30 PM**

As a grade schooler living in Czechoslovakia, Irving Roth's life changed dramatically when Germany occupied his country and implemented laws that gradually took all freedom away from his family. At the age of 14, he was sent on a crammed train to Auschwitz, where against all odds he survived.

Come hear Irving deliver his powerful and compelling testimony. Join our community and the international delegates participating in the Loudoun International Youth Leadership Summit as we consider the lessons learned from one of the most horrific events in human history, the Holocaust, and consider how the world community can truly ensure “never again.”

This event is made possible with funds from TOLI (The Olga Lengyel Institute for Holocaust Studies and Human Rights) and the Tikva Committee of the Beth Chaverim Reform Congregation. We are also seeking additional sponsors for this event. Contact LIYLS Director, jennifer.rodgers@lcps.org
