**PARSHAT NITZAVIM - פרשת נצבים**

### SHALOM AND WELCOME

... to Jerusalem's premier egalitarian Masorti (Conservative) synagogue. Beit Knesset Moreshet Yisrael is made up of English speaking olim and native Israelis. Locals and tourists attend our shul on weekdays, shabbatot, and chagim. Our worldwide Friends Of Moreshet network gives the opportunity for Jews in all countries to have membership in a captivating Israeli Beit Knesset.

Conservative Judaism is intended to be the nexus between Jewish tradition and the modern world...

Beit Knesset Moreshet Yisrael is that meeting place.

**PARSHAT NITZAVIM - פרשת נצבים**

The reading of Parshat Nitzavim just before Rosh Hashanah is quite purposeful as the tradition hopes to move us into a place of thoughtful reflection in preparation for the approaching High Holy Days. A message contained in this week's reading is of the varied types and character of transgressions. Deuteronomy 29:28 reads, "*The hidden are for Hashem our God and the revealed are for us and for our children...*" Our tradition understands the hidden transgressions of humans to be judged and acted on by God, while the public transgressions of humanity are to be the realm of collegial human judgment. A critical understanding of this verse in our tradition must be emphasized: The 'hidden' transgressions are for the individual transgressor to be accountable before God, but for the 'revealed' (i.e. public) transgressions the ENTIRE COMMUNITY IS RESPONSIBLE. Perhaps our personal involvement in social activism would be greater if we were to truly absorb and understand the our personal responsibility in the face of malevolence of which our world does not suffer a shortage. Shabbat Shalom.
