INTERNATIONAL WOMEN'S DAY SHABBAT

SHALOM AND WELCOME

... to Jerusalem's premier egalitarian Masorti (Conservative) synagogue. Beit Knesset Moreshet Yisrael is made up of English speaking olim and native Israelis. Locals and tourists attend our shul on weekdays, shabbatot, and chagim. Our worldwide Friends Of Moreshet network gives the opportunity for Jews in all countries to have membership in a captivating Israeli Beit Knesset.

Conservative Judaism is intended to be the nexus between Jewish tradition and the modern world...
Beit Knesset Moreshet Yisrael is that meeting place.

WOMEN'S SHABBAT

Each year March 8th is designated as International Women's Day -- a day that commemorates the efforts to advance the rights of women. Despite the formality of this date being established by the United Nations in 1975, there remains an overwhelming lack of awareness that such a day exists. Moreover, there are those who question a need for such a day. Indeed, even within Western societies we can point to severe inequities regarding the status of women -- whether it be lower wages earned for similar work, harassment in the public sphere, secondary social status, lack of appreciation for the role of mother and spouse, and more. If such inequality is prevalent in the West, how much more so in other societies -- both in developed and underdeveloped countries -- where the cultures and laws are so disproportionately favorable to the male gender? The reason for *International Women's Day* is that we recognize that gender-based inequality, abuse and mistreatment around the globe remains a responsibility -- and danger -- for each of us, no matter where we reside.
