

A WARM WELCOME to **Social Action** at Congregation Sherith Israel!

# Jewish Values in Action

## Feed the hungry HaMotzi & Chicken Soupers

For almost 30 years, adults and young people together have prepared meals once a week and delivered them to shelters.

Through this work, people forge deep friendships.

Chicken Soupers cook meals and take them to individuals in need.

You can volunteer to:

- Shop
- Cook
- Deliver meals.
- And more ...

## Welcome the Stranger Social Justice Advocacy

We are proud to be the first Sanctuary Synagogue in SF. With interfaith partners, we have accompanied immigrants in detention, at court, and

as they adapt to the U.S. Heartbreaking stories join heartwarming victories. We are blessed to deepen ties with a national and global network of immigrant supporters.

This is one project of the *Social Action Committee*.

## Heal the World Jewish Coalition for Literacy

For 20 years, we have helped children develop reading skills and self-confidence by forging relationships with them.

- One-on-one tutoring with struggling readers in SF public schools.
- Parent workshops.
- Book giveaways.
- Partnership with the Tenderloin school.

Requirements for tutoring: an hour a week and an open heart.
