

Join Beth Am Women Today!

Beth Am Women strives to build a warm, welcoming, fun, and inclusive community for women at Congregation Beth Am. Join us to build deep relationships, find meaning in Jewish traditions and have a positive impact on our congregation and our community.

Our activities bring us together to learn about ourselves, each other and Torah; to practice our traditions and create new ones; to support congregational activities and educational programs; and to initiate and support tzedakah projects.

Special not-to-be missed events include our Kick-Off Event, Retreat, YES Tea, Celebrate in the Garden, and Chocolate & Wine Tu B'Av Oneg. Try our regularly offered book groups, cooking classes, Rosh Chodesh celebrations, mah jongg, and much more! And, we're always open to trying new activities that you suggest
