Our Temple works under a modified Fair Share System in which those members who are willing and able to participate at a higher level can do so through the **Sustaining Member Program**. Approximately 40 households contribute in this way. If you are interested, we will be happy to provide details.

If you find that your financial situation makes it impossible for you to pay what would be a full financial commitment, we will work with you when you submit a Fair Share Request. All requests for adjustments are handled in strict confidence.
