

## Members Continuing in their Service on the Sinai Temple Board of Directors

---

Jodi Maniscalco

Originally from the Boston area, I have lived all over the country. For the past 23 years, I've lived in Westfield with my husband Buff. We have been members of Sinai Temple since 2007 where both of my daughters Shoshana and Rachael became Bat Mitzvah. As a result, I was on the Religious School Committee, the Bar/Bat Mitzvah Committee and I tutored Hebrew. My whole family is very active in the URJ's Eisner Camp, where I was the camp "doctor" as a Physician Assistant for 14 years. I am currently on the Board, the Ritual Committee and the Personnel Committees at Sinai, but I can usually be found at Saturday Morning's Torah Study, the Movie Havurah and the Hiking Havurah.

I have lived in Springfield since 1977. My wife Ann is a Springfield native. We joined Sinai in 1983. I was previously on the Sinai Board in the late 1980s. I am a retired Industrial Engineer with an MBA and worked at Pratt and Whitney. Our son lives in Rochester NY with his wife and their four children. Our daughter Alison was active in SPFTY. We have enjoyed the sense of community that is ingrained in the Sinai culture.
