Our family came to Sinai in 1990. Robin and I joined the Adult Choir in which we've sung for more than 30 years. Our kids, Sharon and Jon, became B'nai Mitzvah at Sinai. All four of us sang Crown of Torah when Zel Lavin received the Snyder Award in 1996. Sharon was married at Sinai in 2003. I joined Sinai's Board in the mid-90s. I was Sinai's Treasurer before resigning while working as CFO of CT's fastest growing technology company. I am currently pursuing Fractional CFO and other work, and Robin recently launched Red Phoenix Healing Arts teaching tai chi, Xigong, and meditation for health. She also makes health-related jewelry. I have been President of the Men and Women of Sinai and Chair of the Snyder Award Committee for about a dozen years. In the role of President, I coordinated several dinners for Hanukkah and other special events at Sinai for nearly 300 people. I now look forward to a post-pandemic revival of the Snyder Award, Men and Women of Sinai, our Temple Choir, and of music and other community events.
