

## Offering excellent programs for children 6 weeks through Pre-K

Founded in 1986, MLNECC at Kol Rinah is a year-round Jewish early childhood facility in Clayton, serving families of all backgrounds. We are a warm and nurturing school that strives to meet the individual needs of each child. We believe that children learn best through play-based experiences. Our teachers use learning centers and thematic learning to present developmentally appropriate, exciting and creative Jewish and general preschool curriculum. Enrichment specialists add to this dynamic with art, science, music, creative movement, yoga and social-emotional skills. Our playground, indoor gross motor room and outdoor classroom provide ample opportunities for free play and structured outdoor learning.
