Kol Rinah Event Submission Guidelines

Time Window: An event request form should be submitted a minimum of 6 weeks prior to a regular sized event and 3 to 6 months prior to a large event (up to 1 year for a Shabbat).

1. Review Kol Rinah's "All Calendar" on the Kol Rinah (KR) website to make sure there are no conflicts. Then follow the easy instructions found under "Event Request" in the KR website Calendar heading of the menu bar. The planner must provide all information needed for publicity.

2. Our Rabbi and David Weber will receive the form submission and ask any clarifying questions to vet the event. Generally, in a schedule conflict, first come first served, but KR may supersede that rule for the vital interests of the synagogue.

3. Once approved, Meir Zimand will notify the event planner and enter the event on the KR calendar, beginning the publicity effort. Generally, events will get a flyer by Gary Kodner and then will be publicized (in the month prior to the event): in the Shabbat sheet and weekly e-mails, on the bima, in the Voice/EXTRA, sent to the Jewish Light and on the website and lobby display. If there is a need to deviate from this plan or if additional PR is requested, the office will coordinate with the planner.

Community Engagement Guide Submissions

Kol Rinah is building an all new Community Engagement Guide that will help our congregants connect to projects and people who share their interests and passions and we want to include you!

We are looking for engagement opportunities related to social action, chessed (acts of kindness), inclusion and welcoming, youth and adult education, holiday and Shabbat preparation, committee and lay leadership, socializing, and more. Visit kolrinahstl.org to submit information about the organizations you volunteer with, the interest groups you run, and the projects that you take ownership of throughout the year.
