*KR On The Move!*  
After receiving bid proposals from both SM Wilson and Lawlor Corporation for construction; Kol Rinah has entered contract negotiations with the Lawlor Corporation to be the General Contractor for our Maryland Avenue project. Our first step will be a “value engineering” cooperative project with Patterhn-Ives, Lawlor, Lawlor’s sub-contractors, and KR Facilities leadership. The goal of value engineering is to find as many ways within the scope items of the base project to reduce costs so that we can afford as much of the base project as possible. It is our expectation that construction will begin sometime this summer.

You can also keep up to date by visiting the On The Move section of our website KolRinahSTL.org.

**Thank You!**

Many thanks to all our Kol Rinah friends and family for remembering our birthdays (Harvey and Sandy Melnick) and for mine and Aileen’s 42nd anniversary.

Sincerely,

Harvey Melnick & Sandy Melnick

Thank you to all Kol Rinah members and friends who sent me birthday wishes:  

Tobi Don
