KR On The Move!

The demolition work is almost completed at our Maryland site. Walls are going up as is the structural steel and the stairway. Meanwhile, back at Amherst, the beautiful stained glass in the Guller Chapel has been deconstructed in order to be reinstalled in the new chapel at Maryland Avenue.

Look for more detailed updates in the On The Move e-Blasts delivered to your email inbox and the On The Move section of our website KolRinahStL.org.
