# KR On The Move!

Work on the Maryland Avenue Building interiors is nearing completion, as we work through all of the items that the City of Clayton is requiring for us to obtain an Occupancy Permit. Work on the exterior landscaping continues, with careful consideration of how to help the plantings thrive through the summer. Improvements to the exterior of the building (including tuckpointing, cleaning, brick staining and complete window replacement) have begun, thanks to a generous donation. Additional new donations have made it possible for us to begin the work on moving the Kol Rinah offices to the third floor of our new home on Maryland Avenue.

More pictures and info can be found on our website [KolRinahStL.org](http://KolRinahStL.org).
