***KR On The Move!* An update of our Campaign Progress (as of 5-15-20)**

Thanks to the hard work and dedication of many, great progress has been made readying 7701 Maryland Avenue for occupancy as our new spiritual home. We plan to start moving into our new facility early this summer (pending safety precautions and COVID-19 requirements), and hope you are as excited as we are!

Our Phase One fundraising has successfully achieved:

1. Full renovation of the Community Hall space
2. Construction of:
 - ✧ Our new sanctuary
 - ✧ The Guller Small Chapel (incorporating the Winfield stained glass from the Hanley Building chapel)
 - ✧ KoREH classrooms, meeting rooms, and the Sara Myers Minyan Room
 - ✧ The Memorial Alcove
 - ✧ The large pre-services gathering space
3. Exterior improvements: parking, lighting and landscaping (required by Clayton).

To date, Phase One pledges and bequests total \$6,495,107. That's right! We exceeded our Phase One Pledge Goal of \$6,416,000!!

However, we have only collected 58% (\$3,779,004) of that total. We will need to focus on the important collection efforts over the next two years.

We also have received generous pledges outside of our Phase One campaign.

1. One pledge will fund additional

exterior improvements, including:

- ✧ Painting/staining all existing brick (to make the old and new complementary and cohesive.)
- ✧ Upgrading exterior lighting
- ✧ Upgrading landscaping
- ✧ Replacing original building windows

2. Several pledges are earmarked for finishing top floor Administration Offices.

Fundraising for Phase Two:

Construction continues and we have already received pledges for more than 25% of the project's costs. The scope of this phase consists of:

1. Building out the Early Childhood Center. We already have significant participation.
2. Building commercial kitchens. Our short-term solution will be to set up a catering-style kitchen in a designated area of the Dairy Kitchen, utilizing much of our existing kitchen equipment. We are hoping to wrap this fundraising into the ECC campaign.

3. Artwork installations - Boccia Paintings, Winfield Stained Glass. We will be installing the legacy Boccia paintings in the Community Hall (the former church sanctuary space). Each will hang from a vaulted section of the ceiling, between the Gothic arches. The legacy Winfield stained glass from the Hanley chapel is now in the new Guller chapel. These will be spectacular displays of our artworks, supporting our desire to show as many of our treasured artifacts from both legacy congregations as we can.

4. Building the Sanctuary Balcony. This will add 100 seats to our Sanctuary capacity.

We continue to work hard to ensure we can provide our congregation and community with the best facilities we can. Even now, during these challenging times, Kol Rinah's leadership is working hard to fulfill the promise of our new home.

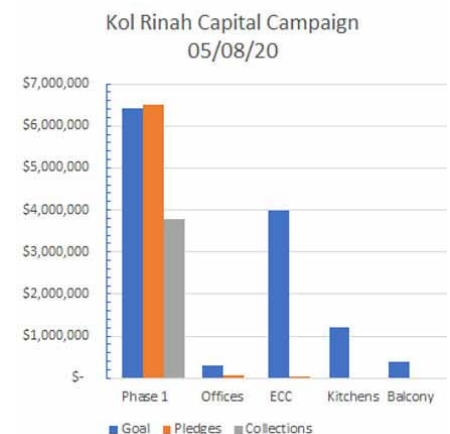

We have achieved great things so far, but we are by no means finished. The gap between our full vision for the location and what we have been able to achieve thus far still needs to be narrowed. We hope to continue to raise the funds that will complete our vision for our new home.

Thank you all for working and giving to make our dreams a reality! If you would like to make a pledge, please reach out. No amount is too small, and every pledge will serve to strengthen our future home.

Stay safe,

Dan Rosenthal,
