## Kol Chadash, A Musical Shabbat Service

We are creating new models of prayer and services to engage us differently, and perhaps engage with more people in our community. The music is a mix of the fresh and familiar, filled with harmony, Joy, and spirit. We want to hear your thoughts so that we can assess how we're doing and improve as we move forward.

Please experience the service before you offer your comments. [Click here to watch the February 27th Kol Chadash](#)

## Choosing Israel: Midrash and the Choice to be a Jew

How do Jews by birth describe Jews by choice? Jeff Spitzer shares a selection of midrashic texts that challenge us to confront the ways in which Jewish culture appreciates and honors the convert to Judaism while recognizing some of the ways in which Jews by birth might feel ambivalent about newcomers to the "family."

## KR On The Move!

The Third Floor Office Project is complete and awaiting a Full Occupancy Permit from the City of Clayton so we can move our office. BSI Constructors is in full swing with demolition on Phase 1 of the ECC and preparing for the next steps in construction. Our expectation is to open the Neidorff Early Childhood Center at Maryland Avenue with full enrollment in time for the Fall 2021 semester.

More pictures and info can be found on our website [KolRinahSTL.org](http://KolRinahSTL.org).
