**ZOOM & LEARN Spinning A Rainbow Thread:**  
**Reflections on Writing Queer Jewish History**

What is the place of gay, lesbian, bisexual, transgender, and queer Jews in history? Historian Noam Sienna assembled scattered documents, written in over fifteen languages, to publish *A Rainbow Thread* (2019), the very first anthology of queer Jewish history. In this talk, Sienna spins a complex story about Jewish sexuality and gender across time and space. Click for more info or to register.

## KR On The Move!

The City of Clayton has granted Kol Rinah our Final Occupancy Permit for the Base Project, and Third Floor Administrative Offices. We expect to move the office at the beginning of June. We also closed on our Construction Loan for the ECC in May, allowing BSI Constructors to finish Phase 1 of the ECC by the Fall. Finally, we await finishing touches for the Coffee Bar, Sanctuary entry vestibules and wall paneling, acoustic panels, artwork throughout the building and new furniture.

Kol Rinah appreciates all of the generous donors who have helped make our campaign successful, and our new building a reality. Our members, our organizations, and community members at large have contributed generously. We are now in the midst of our **Monica Lynne Neidorff Early Childhood Center** Campaign. Our goal is to finish this project by this fall and move into our new center. We are getting closer to our goal each day. Please help us finish the Job!
