Cost Breakdown: Five-Year Pledge

It is much easier than you might imagine for a contributor to make a capability commitment in this campaign. A pledge payable over five years actually "costs" a nominal amount when reduced to a per week calculation.

Examine the chart below. See how a five-year pledge that is seemingly an out-of-reach figure becomes more manageable when viewed over a shorter period of time.

Five-Year Pledge	Per Year	Per Month	Per Week	Per Day
\$50,000.00	\$10,000.00	\$833.33	\$192.50	\$27.40
