## About Me!

I'm 16, I love musical theater and I've been in over 30 shows in my life! I spend a lot of my time at the gym, hanging out with my friends, and going to Starbucks :)

## Qualifications:

- Walden West counselor and training programs
- Middle school leadership
- CJSF & CSF (community service)

Judaism means so much to me and has greatly impacted my life. Shir Hadash is such a special place where I have been able to find a community that I am constantly learning from.

Being on the SALTY board is an amazing extension of that, as I am able to help others feel welcome in this community

## Goals:

- Make everyone in SALTY feel welcome
- Help teens understand why SALTY is unique (we can connect and relate to each other through religion!!)
- Create exciting events
- Help teens feel valued in the congregation
