

## Membership

*Because we all need a sense of belonging*

## **Welcome!**

### ***- The Path to Membership is a Journey to Deeper Commitment***

Beit Haverim membership represents a deeper connection with your spiritual community.

Beit Haverim is a dynamic Reform congregation, which has succeeded in creating an open, inviting, and spiritually alive Jewish community.

Beit Haverim welcomes people all along the Jewish spectrum. Membership and participation in our congregation is open to Jews by birth, Jews by choice, and anyone with a connection to Judaism.

*Rabbi Abraham Joshua Heschel taught that Judaism is not only adherence to particular doctrines and observances, but also, and primarily, living in the spiritual order of the Jewish people. It is not a doctrine, an idea, or a faith, but the covenant between God and the Jewish people. We acquire our share in holiness by living in Jewish community. It is not by what we do as individuals, but rather, by what we attain as the community of Israel, which causes us to become a part of eternity.*

## **History of Beit Haverim**

When the founding members of Beit Haverim launched its Religious School in 1992, it was in an unheated classroom at Cedaroak Primary School. On a gray, drizzly Sunday, a pint-sized number of children attended, hungry for knowledge about their heritage, anxious in their desire to find Jewish peers. This grassroots endeavor enabled residents of the South Metro area of Portland to find a Jewish community close to home.

From what was first known as South Metro Jewish Community (SMJC) sprang a vibrant congregation, one that is now a highly respected member of the larger Jewish community, drawing members from throughout the greater Portland area.

Over the years we've watched our children blossom into adults, secure in their Jewish identity. We've seen unaffiliated Jews, single members, and families of all types find kindred spirits and make enduring friendships. We've danced at weddings, rejoiced at mitzvahs, and cried together in times of loss. We've transcended religious differences and joined hands in interfaith worship. We welcome you to join us.

## **Some of the highlights of our history include:**

1996 – SMJC adds a worship program in addition to religious school, and Ann Brown becomes Cantorial Soloist.

1997 – Rabbi Larry Halpern joins as our first Rabbi.

1998 –The Reverends Paul and Cathy Quackenbush make Emmanuel Presbyterian Church available to SMJC for services.

1999 – SMJC celebrates its first Torah and Ark.

2001 – SMJC joins the Union for Reform Judaism and establishes a Jewish Cemetery in Lake Oswego.

2005 – SMJC celebrates its Bat Mitzvah.

2006 – Rabbi Halpern retires. SMJC hires Annette Koch as its new Rabbi.

## **Getting Involved: The Key to Membership with Meaning**

Attending Shabbat Services is a very special experience, but most members find that over time it is not enough to sustain their commitment to the congregation. We know of no better way to deepen your connection, as well as increase your reward, than by active engagement in a program that most closely matches your needs. Find a group or activity with which to involve yourself as soon as possible. This is how you will start feeling a part of the congregation, and in return, the people of Beit Haverim will become a community for you. Here is a small sampling of the opportunities for personal and spiritual growth:

- Adult Education
- Tikkun Olam/Social Action
- Family Shabbat Potlucks
- Torah Study
- Holiday Celebrations
- Men's Group and Ladies' Group Activities

If your current financial situation does not permit you to contribute the suggested dues, you may opt to calculate dues based on 2% of adjusted gross income, as also detailed on our website.
