

MESSAGE FROM JORDAN BAKER, PRESIDENT

Welcome to OT Men's Club!! Our Club is one of 250 throughout the world whose overall objective is to involve Jewish men in Jewish life. We encourage men to accomplish the following:

- **Embrace the Club's mission to support OT men to grow together in all aspects of Jewish life.**
- **Build friendships. If you're new to OT or want to get more involved, we provide a welcoming environment for you to do so.**
- **Help us foster a strong Jewish community through a strong culture of volunteerism.**

These three objectives are the essence of what Men's Club does for our synagogue and community and how you can grow both Jewishly and personally.

Where do your dues go? Your dues help fund the following:

OT Youth Activities	Yellow Candle Program	World Wide Wrap
Social outings	Scout Support	Military Shabbat
Sunday Brunches	Retreats & Convention	FJMC Initiatives

In addition, the Men's Club has an **ABBA** committee which provides fun social programming targeted to young fathers. Many ABBA events also help raise funds for OT youth programming.
