

MESSAGE FROM MARVIN KON, PRESIDENT

Welcome to OT Men's Club! Our Club is one of 250 throughout the world whose overall objective is to involve Jewish men in Jewish life. We encourage men to accomplish the following:

- Embrace the Club's mission to support OT men to grow together in all aspects of Jewish life.
- Build friendships. If you are new to OT or want to get more involved, we provide a welcoming environment for you to do so.
- Help us foster a strong Jewish community through a strong culture of volunteerism.

These three objectives are the essence of what Men's Club does for our synagogue and community and how you can grow both Jewishly and personally.

Where do your Men's Club dues go? Your dues help fund the following:

- OT Youth Activities
- Social Outings
- Retreats & Convention
- Yellow Candle Program
- Scout Support
- FJMC Initiatives
- World Wide Wrap
- Military Shabbat
- Sunday Brunches

In addition, the Men's Club has an **Abba** committee which provides fun social programming targeted to young fathers. Many Abba events also help raise funds for OT youth programming.

Past Men's Club and Abba events have included:

- Bowling night
- Beer and snacks in the sukkah
- Election brunch
- Brewery tours
- Tasting and Text: a night of spirits and study with Rabbi Kalender

Due to the pandemic, our upcoming calendar of events has yet to be finalized. Please visit olamtikvah.org/mensclub to keep up with our virtual and socially-distanced events in the fall and events throughout the year.

Please join our club by filling out the included form or by registering online at olamtikvah.org/mensclub. Questions? Please email mensclub@olamtikvah.org.
