ONE MORE CANDLE

The One More Candle initiative is an opportunity to **adopt the name** of a child murdered during the Holocaust. Many children have no one to say Kaddish for them.

This ensures someone remembers that they lived by saying his or her name out loud every year.

Add light to the darkness. Light one more candle.

For more details on how to **adopt the name**

of a perished child, visit

www.onemorecandle.org

Members are encouraged to attend our daily minyan services, as it builds community by ensuring there is a minyan for those in our Beth Sholom family who need to say Kaddish.

RABBI'S SHABBAT MESSAGE

"This is the decree of the Torah, which Hashem has commanded, saying: Speak to the Children of Israel, and they shall take to you a completely red cow, which is without blemish, and upon which a yoke has not come." (BaMidbar 19:2)

This is an example of Law of the Torah which is considered completely above human comprehension. The paradox is that those who are involved in the preparation of the ashes of the cow become ritually impure, while the sprinkling of water with those ashes is used to remove contamination! It is an example of a Law which must be accepted on faith alone.

On the Shabbat after Purim, two Torah Scrolls are removed from the Ark. The Sidrah of the week is read from the first, and from the second, the chapter of Parah Adumah, the Red Cow (or Red Heifer), is read. It gives the procedure through which people can purify themselves from the contamination caused by a human corpse. The reading of this chapter was instituted for this time of the year because Jews were required to purify themselves before coming to Jerusalem for the pilgrimage festival of Passover.

Shabbat Shalom Rabbi Aaron Flanzraich
