Welcome Back To Summer Fun!

We hope you and your family are safe and healthy. Thank you so much for your patience and understanding as we have been adjusting, like you, to the drastic changes in life during the last several months in response to COVID-19.

We are closely monitoring the ongoing developments of the current coronavirus outbreak and are in routine communication with all relevant government agencies as we prepare to safely open our summer program on June 22nd.

Our team is working meticulously to plan and implement all necessary steps to ensure the safety of our campers and staff in compliance with all governmental requirements. Many of the required health and hygiene habits represent best practices even in normal times but they are especially important in controlling the spread of COVID-19 now.

Please email camp@tbehollywood.com if you have any questions.

Thank you for your continued understanding, patience, and efforts in all that remains ahead.

David Mankes
Summer Camp Director, Camp Keshet
and Your Temple Beth El Family
Please, read the following carefully. You must agree to abide by all procedures if you choose to send your child to our summer program.

What precautions we are implementing:

- Play areas and toys will be sanitized throughout the day.
- Bathrooms will be sanitized between uses.
- Common areas (i.e. playgrounds, chapel, etc.) will be sanitized between uses.
- Carpeted rooms will not be used.
- ALL staff will wear facemasks.
- Every person entering the facility (camper and staff) will have temperature checked using a contactless thermometer.
  - Any person registering a temperature of 100.4 F or higher will be sent home.
  - Any person with flu-like symptoms: coughing, sneezing, having runny nose will be sent home.
- Campers will be in groups no larger than 10 (campers and staff included).
- No outside visitors/parents will be permitted to enter the facility.
  - This will include during drop-off and pick-up.
- Outdoor activities will be kept in areas insuring social distancing.
  - Activities will be scheduled to 1 group at a time to avoid comingling of classes.
- Carpets, costumes, and plush toys have been removed from classrooms for sanitation purposes.
- Rooms will be completely sanitized each night.

What we will ask of you:

- If your child is sick, stay home. (Flu-like symptoms: fever, coughing, sneezing, runny nose)
- Take your child’s temperature every morning.
- Stay in your car during drop-off and pick-up.
  - A staff member will come to check the temperature of the camper and have you fill out/sign our health survey before unloading and coming into the facility.

Blast Off to a Summer of Fun!
• Lunches should be packed in large zip-lock bags with the camper’s name clearly written on it.
• Pack the camper’s own water bottle also with the name clearly labeled.
• Parents will be called if a child develops symptoms and the child must be picked up within 30 minutes.

In the event that we have a confirmed case of COVID-19:

• We will notify families and staff of the exposure.
• We will close the center until permitted to open by our local health department.
• We will report the confirmed case to the local health department and follow their specific guidelines.
• We will report the confirmed case to the state Department of Public Health.
• We will determine the date of symptom onset for the child/staff member.
• We will determine if the child/staff member attended/worked at the program while symptomatic or during the 2 days before symptoms began.
• We will identify what days the child/staff member attended/worked during that time.
• We will determine who had close contact with the child/staff member at the program during those days.
• We will exclude the children and staff members who are determined to have had close contact with the affected child/staff member for 14 days after the last day they had contact with the affected child/staff member.
• We will perform a thorough cleaning and disinfecting of the facility.
