Now accepting registrations.

Please use the sign-up forms provided to register your child for our Enrichment Classes.

Jewish values at the heart of a rich community-centric experience.

We’re proud to offer a variety of extracurricular activities for your child to learn and enjoy in a safe, loving and noncompetitive environment. Every class is taught in our preschool by members of our own staff and qualified instructors who undergo background checks and meet educational requirements. Don’t miss this opportunity for your child to be active, enhance his or her learning, make friends, and discover new areas of interest.

Temple Beth El Preschool
1351 S. 14th Avenue, Hollywood, FL 33020
(Entrance on Rodman Street)

Art: A number of art projects will be presented through a variety of different materials, including paint, pencils, clay, collages, and recycled objects. This class will strengthen your child’s creativity, ability to communicate, independence, and confidence through hands-on exploration. **Age required is 3 and older.**

Ballet: This class will provide an opportunity for children to learn basic ballet techniques, beginning ballet postures, and simple dance skills. Ballet vocabulary and stretching will be taught. All will be showcased with amazing costumes in a recital at the end of the school year. **Age required is 2 and older.**

Fun with Snapology© Junior: Children will be engaged in playful learning activities that focus on literacy and STEAM (Science, Technology, Engineering, Art and Math). They will work with LEGO® bricks, K’nex®, engineering kits and other tools for a hands-on, interactive and fun experience. **Age required is 3 and older.**

Gymnastics: Children will learn basic movements, eye-hand coordination, gross motor skills and balance skills. In addition to floor work, equipment will include balance beams, rollers, inclines, mini-tramp and parachutes. **Age required is 3 and older.**

Little Scientists: A hands-on, child-friendly approach to the FUNdamentals of Science will be taught. You will be delighted by your little scientist’s enthusiastic descriptions of the projects that he/she will bring home. **Age required is 2 and older.**

Dance and Fitness: With easy to follow moves, this class will help to incorporate fitness as a natural part of children’s lives by making it fun. Classes will include key childhood development elements, such as leadership, respect, teamwork, confidence, self-esteem, memory, creativity, and coordination. **Age required is 2 and older.**

Soccer: In addition to the basics of soccer, this class will focus on children’s gross motor skills, while giving them the fundamentals of belonging to a team in a noncompetitive atmosphere. **Age required is 3 and older.**

Little Chefs: With the teacher’s help, our little chefs will measure, stir, mix, and sort ingredients as they enjoy creating and tasting different types of cuisine each week. It’s a great class for picky eaters to try new things they make themselves. **Age required is 3 and older.**
