SILENT PRAYER

The Midrash tells us that when God addressed the Israelites at Mt. Sinai, God spoke in seventy languages so that all could understand. The legend continues, saying that God used no voice at all ... and the people understood. This creative writing addresses the power of silence – that within us, we each possess the ability to change worlds – at the very least, ourselves – if we would only listen.

תְּפִלַּת הַלֵּב

PRAYER OF THE HEART
