

## B'NEI MITZVAH SERVICE INFORMATION SHEET

*We will provide the Zoom link and password for your family and friends ahead of time. There will be a zoom "gabbai" to digitally monitor the service. We will provide a cell phone number for any day of tech questions.*

Please ask anyone with a part in the service to put a "--" in front of their name on Zoom so that we may easily find them to unmute them for their part. Additional reading parts and participation opportunities are available for family members both in the sanctuary and on zoom. Please speak to Cantor Judy about these possibilities.
