

Here are the guidelines for Synagogue Programs:

Permission Slip- Prior to each event, every parent will be required to RSVP and to sign a permission slip in which they answer some COVID-19 related screening questions about their child. If a child shows up to an event without RSVPing beforehand and without a permission slip, they will be sent home immediately. People over the age of 18 can verbally answer the screening questions in person.

Food: Please bring your own dairy/parve food.

Hand Cleaning: We will have hand sanitizer, cleaning wipes, and masks available for use at the event.

Social Distancing: At this event we will maintain the required 6 ft social distance. These distances will be pre-measured ahead of time and marked.

Outdoors: Events will be held outdoors. Please bring sunscreen, bug repellent, sunglasses, a hat and a water bottle to ensure you stay safe in the sun.

Face Covering Usage: Because of Governor Roy Cooper's mask requirement announcement, all participants and staff are required to wear masks for the duration of the event except while actively eating.

Bathroom Usage: Bathrooms will be open and usable, but only one person will be allowed into each gendered bathroom at a time. Please listen to the bathroom attendant to stay safe when going into the building.
