

Dear Friends,

One of the fundamental jobs of a Rav and Rebbetzin is being available for all members whenever the need arises. Amongst the many challenges of starting as the Rav in a new shul has been figuring out the best and most efficient way to make this a reality. And while the following system may still require some tweaking, I'd like to use this opportunity to provide you with some updated contact information.

1. For general shailos, questions, or anything else, please contact me via one of the following ways:

 - b. Personal WhatsApp Text Messages & Voice Notes: 647-225-5480
 - c. Email: rabbi@clantonpark.com

If leaving a message on any of the above mediums, please share as many details as possible so that I have an understanding of the time sensitivity. All messages will be returned in a timely fashion. In the unlikely event that a form of communication falls through the cracks, please do not hesitate to reach out to me again.

2. For urgent and time-sensitive issues (including but not limited to: medical shailos, end of life issues, Taharas Hamishpacha questions) please contact me 24/6 via:
 - a. Personal Beeper: 416-235-7681 i. After hearing the voice recording, please enter your phone number followed by the # sign. Your call will be returned at the first possible moment.
