What time are the other services?

See the [full schedule here](#). If you are coming in person, please check your tickets for the times of the services for which you are registered.

I forgot to register—can I still come in person?

Due to COVID-19 space limitations, in-person worship is restricted to those who registered in advance. If you have registered and have not received your tickets by email, please contact Hillary Hans at 201-568-3035.

What about security?

We continue to work closely with the Tenafly Police Department and will also have additional security staff on hand this year; however, please note that **everyone over age 12 MUST show a ticket and proof of vaccination (or negative PCR test) to security personnel to enter**. Anyone who attempts to enter Temple Sinai without a pass will be stopped by security personnel. As in recent years, please retain your ticket for the entirety of the High Holy Days. You may enter via the parking lot entrance and Engle Street.

I want to pray for someone who is ill or recovering from illness or injury.

During the *Mi Shebeirach* prayer at our High Holy Day morning services, the clergy read the names of those who are ill or recovering from an illness or injury. Before services please put the names you want read on one of the small slips of paper available for that purpose and give them to an usher, or type them in the Zoom chatbox. Please be mindful of their right to privacy/confidentiality and only submit the names of those who have consented (or whose family has consented) to being included in this important prayer.

Remember those in need.

Please donate to the food drive, either by bringing food to the Temple ([list of needed items here](#)) between 9/6-9/17 or by making donations online to [Jewish Family & Children's Services](#) or the [Office of Concern Food Pantry @ St. Cecilia](#).

If the parking lot is full, where do I go? We again thank SMA Fathers for their partnership in providing their parking lot on Bliss Avenue for members during these High Holy Days.

As we embrace this momentous season, we want to share our deep appreciation that you have chosen Temple Sinai as your Jewish home. May your High Holy Day experience be meaningful, and thank you for your cooperation.
