Sukkot with Solu: Refugee Family Co-Sponsorship Info Session!

Sukkot is a holiday that highlights our own history of living in temporary dwellings, moving from place to place with the hope of one day reaching home. In 2021, countless refugee families continue to experience this reality. Many arrive in the United States each year from all over the world, including thousands from Afghanistan in the last few weeks. What can we do to make their transition easier?

In celebration of the spirit of Sukkot, join Solu and RefugeeOne for an information session about sponsoring a refugee family in the upcoming year. As the largest resettlement agency in Illinois, RefugeeOne serves more than 2,500 refugees and immigrants each year. Co-sponsor teams play a critical role in helping refugees thrive in their new home. Our friendship and financial support can ensure a warm welcome and a strong start to life in the U.S.

Join us on Zoom this Sunday, September 26th, from 6:00 - 7:00 PM to hear from Kelli Wendt, MSW, of RefugeeOne about the process of co-sponsoring a refugee family and the impact our friendship can have during their first months in the United States.

What is Solu again?

Solu's mission is to enable and empower busy people in the Orthodox community to do meaningful, good work in the world. Solu offers family-friendly service-learning opportunities to help those in need while building bridges across diverse communities.

Our name comes from the Haftarah for Yom Kippur, from Isaiah 57:14. The word "Solu" means "to blaze a trail." There are many obstacles for a person who wishes to do good in the world: How do I help? Who do I work with? When can I make the time? Solu is creating a path through those obstacles for regular folks to engage in social action and create a culture of service in the Orthodox community.

The ARK High Holiday Food Pantry Donation Drive

We are pleased to partner with The ARK to collect nutritious, Kosher food for Chicagoland Jews in need. In its 50th year providing a full range of social services, medical and dental care, employment services, financial and housing assistance and hunger relief to clients, the food pantry remains an essential resource to help uplift Jewish individuals and families as they face life's challenges. Please help us to provide Kosher and non-perishable food items during our High Holiday Food Drive.

Grocery bags featuring a shopping list of client favorites and essentials are available to pick up in the shul outside of the social hall. Please drop off the bag with your donated items to our pod in the parking lot. For more information about The ARK, visit arkchicago.org.
