Learn the ENTIRE Tanach with friends from Skokie Valley! Project 929 Begins Again

Three and a half years ago, Jews across the English-speaking world joined a journey of reading one chapter a day of Tanach, five days a week (Sunday through Thursday), including many in the Skokie Valley community. The cycle was completed on Rosh Chodesh Adar, February 2, 2022. The second cycle of Project 929 began this Sunday and will be completed on Rosh Chodesh Elul in August of 2025.

We would like to form a group at Skokie Valley who will support one another as we go through this second cycle by meeting once a week to discuss the chapters read in the previous week. This group will be facilitated by Myra Weiss. The group would initially be meeting on Tuesday afternoons at 3 PM for about an hour following Rav Ari's Bereishit class, but, if people are interested in another time, that could be arranged. Contact Myra Weiss myraweiss@gmail.com if you are interested and for more details.

The group will meet online and in person in the social hall. The online link will be https://zoom.us/j/713951311, password 613. The link for the English 929 project is https://www.929.org.il/lang/en/today. This page presents a chapter every day in English translation, accompanied by a selection of short essays that help to elucidate the daily chapter. The page will be starting up with the first chapter of Genesis (B'reishit) on this Sunday, February 6. This is a wonderful opportunity to read the Tanach in the company -- virtually or otherwise -- of thousands of Jews across the world.
