**10. Ma'ariv Aravim**

Blessed are you, Eternal One our God, sovereign of all worlds, by whose word the evenings fall. In wisdom, you open heaven's gates. With divine discernment you make seasons change, causing the times to come and go, and ordering the stars on their appointed paths through heaven's dome, all according to your will. Creator of the day and night, who rolls backlight before the dark, and dark before the light, who makes day pass away and brings on night, dividing between day and night: Leader of the Throngs of Heaven is your name! Living and enduring God, rule over us, now and always. Blessed are you, almighty One, who makes the evenings fall.

*And you shall love the Lord your God with all your heart, with all your soul and with all of your might. And all these words which I command you on this day shall be upon your heart, and you shall teach them diligently unto your children. You shall speak of them when you are sitting in your house and when you're walking by the way; and when you're rising up, and when you're lying down. And you shall bind them for a sign upon your hand, and they shall be for frontlets between your eyes; And you shall write them on the doorposts of your house, and upon your gates That you may remember and do all of My commandments, and be holy unto your God.*

### **13. Remember** (By Joy Harjo) (responsive reading)

**Laure:**

Remember the sky that you were born under,  
know each of the star's stories.  
Remember the moon, know who she is.  
Remember the sun's birth at dawn, that is the

strongest point of time.

**All of us:**

*Remember sundown  
and the giving away to night.*

**Laure:**

Remember your birth, how your mother struggled to give you form and breath. You are evidence of her life, and her mother's, and hers.

**All of us:**

*Remember your father. He is your life, also.*

**Laure:**

Remember the earth whose skin you are:  
red earth, black earth, yellow earth, white earth  
brown earth, we are earth.

**All of us:**

*Remember the plants, trees, animal life who all have their tribes, their families, their histories, too. Talk to them, listen to them. They are alive poems.*

**Laure:**

Remember the wind. Remember her voice. She knows the origin of this universe.

Remember you are all people and all people are you.

**All of us:**

*Remember you are this universe and this universe is you.*

**Laure:**

Remember all is in motion, is growing, is you.  
Remember language comes from this.

Remember the dance language is, that life is. Remember
