Dear Member:

Reminder:

Please remember to sign up for a focus group session as soon as possible. Information gathered from these sessions will be utilized to develop a community-wide survey and the independent data collected will support the transition strategy, so it is important to have strong membership participation.

As noted below, a new date has been added (June 20) for those of you who were not available on the two original dates. Also, per community request, we have designated one of the sessions (noted below) as a "Teen Focus Group". Please encourage your teen children to attend.

Updated timing options:

Sunday, June 5:

5:30PM - 6:30PM

6:45PM - 7:45PM

8:00PM - 9:00PM

7:45PM - 8:45PM (Teen Session)

Space is limited for each session to ensure an organized and dynamic discussion. Contact Robyn Safier by emailing office@ahavathtorah.org or call the Shul office at (201) 568-1315 to sign up for one of the sessions. You can also sign up via our synagogue website by visiting <http://www.ahavathtorah.org/rtc>.

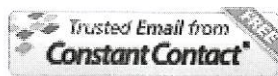

These sessions will be filled on a "first come first served" basis. Additional sessions may be organized if there is increasing demand after all of the above spots are taken. The focus group sessions will take place in The Sarna Lounge and The Lenger Library.

We are looking forward to a collaborative and informative process.
