The Young Israel of Passaic-Clifton Kol Yaakov celebrates, teaches, and lives the values of Torah, Tefillah, Chessed, and commitment to Israel. We view the Shul experience as significant beyond simply a place to daven and learn Torah. Our goal is to create a Kehilla of growth-oriented families, who are constantly striving for greater goals in their family and personal Avodas HaShem. We work together in creating an inspiring environment for every member of the family to reach their personal and spiritual potential.

Our Shul prides itself in being warm and inclusive, a place where everyone -- men, women, and children feel at home. Some of the special programming that we offer includes:

- Shiurim and learning opportunities throughout the year focusing on a diversity of topics, such as the 13 Foundations of Faith, our TeshuvaTalks series during Elul, communal learning, weekly Parsha and Gemara Shiurim, our Shavuot learning programming, and a variety of guest speakers and scholars-in-residence.
- Special events throughout the year including Oneg's for women with Rebetzin Glasser, a Chanukah party, Yom Ha'Atzmaut celebration, Yom Hashoah commemoration, Chessed opportunities (such as serving food at a soup kitchen) and more.
- Youth groups on Shabbos morning, a monthly Teen Boys Minyan, Shabbos meals at the Rabbi & Rebetzin, and more.
- A weekly Kiddush provides a tremendous opportunity for members of the YIPC family to catch up with friends, stay current on various life events, meet new people, and create meaningful connections with people whom they would ordinarily not have a chance to see during the week.
