

Pesach 5780/2020 Classes

Please join us for three Zoom classes to help us prepare for Pesach in very unusual circumstances:

1. Preparing Our Homes - Sunday, March 29th at 7:00 pm

In this class we will be discussing exactly what Jewish law requires us to do to prepare our homes for Pesach (hint: it might be a lot less than you think). We will be looking at source texts from the Torah, Talmud and halakhic literature, as well as practical advice for the contemporary kitchen.

2. Preparing Our Seders - Wednesday, April 1st at 7:00 pm

Due to the restrictions on travel and visiting other people's homes as a result of the Coronavirus pandemic, many people will be experiencing the seder very differently than we usually do. Some of us who are used to being guests, find we have to host, some of us who are used to hosting large groups will be hosting much smaller seders, and some of us will be alone for Pesach and have to figure out how to host a seder for one. In this class we will walk through the seder and offer tips for first time hosts on how to run a seder, tips for long time hosts on how to make the seder more meaningful, and tips for everyone on how to reduce the risks of spreading Coronavirus during the seder.
