

STANTON KIDS

FALL 2018

StantonKIDS

The Stanton Street Shul proudly provides engaging educational programming for our youngest participants. Come learn, pray, dance, celebrate, and play with us! Our professional StantonKids teaching staff facilitates prayer, weekly *parsha* and holiday learning through song and other fun activities. Our programs include a special healthy kiddush or snack. Recommended for kids ages 2-6.

On the High Holidays, lunch is available for \$10/child. You can register on our website.
