Gabboim

With gratitude to הקב"ה, our Shul has been zoche to phenomenal growth. Our shul has been an important anchor for the community as hundreds of people benefit from it on a daily basis. We now offer the most Shacharis minyanim in the city. The multiple shiurim, Kollel Boker, and Kollel Erev, reverberate kol Torah in the Shul, from early in the morning until late at night. Our mikvah has over a thousand uses per month and our keilim mikvah is used throughout the day and night. The very successful father-son learning programs are at an all-time high. Also, of great importance, the inspiring achdus and chesed manifested within the walls of the Shul.
