Mechiras Chometz

I always enjoy being able to meet you in person by mechiras chometz, this year due to COVID-19, we will have to suffice for it to be done virtually.

To make it easier for you to fill out the Shtar Mechirah, we have created a DocuSign Powerform which allows you to fill and sign the document digitally. Once completed, the signed document automatically comes back to Rabbi Shmuel Zimmerman and will be given back to me to complete the Mechirah on your behalf. If you have any questions about mechiras chometz or other shailos I can be reached at (773) 771-6463. -Rabbi Pinchus Eichenstein

Davening Reminders

- If one is making an early shabbos everyone at home must be mekabel shabbos when the father/husband reaches בואי בשלום לכה דודי in.
- After Shemoneh Esrei you say ויכלו but not the ברכת מעין שבע.
- In order to give structure to the davening it would be nice to keep the same zmanim as we would in Shul. See zmanim below.
- We dont say the 2nd יקום פרקן and the mi sheberach that follows before musaf.
