Mechiras Chometz

I always enjoy being able to meet you in person by mechiras chometz, this year due to COVID-19, we will have to suffice for it to be done virtually.

To make it easier for you to fill out the Shtar Mechirah, we have created a DocuSign Powerform which allows you to fill and sign the document digitally. Once completed, the signed document automatically comes back to Rabbi Shmuel Zimmerman and will be given back to me to complete the Mechirah on your behalf. If you have any questions about mechiras chometz or other shailos please call me at (773) 771-6463. -Rabbi Pinchus Eichenstein

Maos Chittim

This year more than ever the need for maos chittim is great. The Rov will be distributing this money specifically to the people that are affiliated with the Shul. Please speak to R' Eli Davis or click below to make your donation.

Davening Reminders

- If one is making an early shabbos everyone at home must be mekabel shabbos when the father/husband reaches בואי בשלום לכה דודי חן.
- After Shemoneh Esrei you say ויכלו but not the ברכת מעין שבע.
- In order to give structure to the davening it would be nice to keep the same zmanim as we would in Shul. See zmanim below.
- We dont say the 2nd יקום פרקן and the mi sheberach that follows before musaf.

Below is the Shabbos schedule for you to follow at home:

Keilim Mikvah Guidelines

- 1) One's hands must be sanitized before using the keilim mikvah.
- 2) Please do all preparation (i. e. removing packaging and labels, etc.) at home.
- 3) Only one person at a time should use or be in the vicinity of the keilim mikvah. If the mikvah is in use, please wait outside the mikvah and exercise proper recommended distancing until it is available.
- 4) The keilim mikvah pool will be chlorinated, and disposable gloves (available in the mikvah) should be used.
- 5) All Keilim should be washed thoroughly with soap before use.
- 6) If you or anyone in your household has any symptoms of illness, do not use the keilim mikvah at this time.

We are taking heightened safeguard and sanitization measures, even with these safeguards in place, we cannot take achrayos.
