Dear Residents and Visitors of the Chicago Jewish Community,

A *gut yahr*. We hope that each of you had an uplifting Yomim Noraim. May all of our *tefillas* be accepted and bring about *brachos, refuos v'yeshuos* for our community and all of Klal Yisroel.

As is known, there is currently a rise of COVID-19 cases in our community. In addition, in many other communities and *mosdos* around the country the surge is even more significant. With *Sukkos* upon us, and many of our children and extended family coming to Chicago for Yom Tov, it is crucial for us as a community to once again increase our vigilance in attempt to stem a potential outbreak.

These efforts will help save many from illness and potential *sakana*, and, as importantly, will help ensure the return to our *mosdos hachinuch* without any additional delay. Our precious children need in-person education for their *ruchniyus* and emotional well-being. We were blessed that the first month of school went smoothly. We must do whatever we can to prevent any interruption to the school year and any *bittul hevel pihem shel tinokos shel beis rabban r"i*.

To this end, we the undersigned Rabbanim and Roshei Kollel have instituted the following policies for our *mekomos hatefila*:

- **Attendance-** The following individuals should be in quarantine and are asked not to enter our buildings-
 - Anyone that currently has COVID-19.
 - Anyone that has had direct exposure within the last 12 days to someone with COVID-19.
 - Anyone that is experiencing any of the symptoms of COVID-19. In all cases of doubt, please stay home until a doctor is consulted.
- **Masks and Social Distancing-** The following guidelines must be maintained during all minyanim-
 - Please be extra careful to maintain social distancing and sanitize one's hands frequently.
 - Masks must be worn during all *tefillas* without any exception.
- **Additional Restrictions-** In addition to all the above, each Rav has or will communicate additional measures as he sees fit based on his building structure and constituency of his *kehilla*. All of these measures must be adhered to.

We understand that many reading this letter are coming from communities that have more relaxed standards. We recognize the *tircha* and thank you in advance for your cooperation in helping us maintain the safety and *chinuch* of our community.

We daven that this pandemic, it's negative impact and the host of restrictions that accompany it will speedily *kulam k'ashan tichleh*.

Wishing each of you and Gut Yom Tov and a true Zman Simchaseinu,

Choson Bereishis

Last year, over 100 mispallelim joined together in raising \$150,000 for the Choson Bereishis aliyah which made it such a success! The Shul does not make any dinners or fundraisers and this is the main opportunity to show appreciation to both the Rov and the Shul. Every donation up to \$75,000 will be matched. Choson Bereishis is a great zchus and anyone who participates has his himself and his family included in the mi sheberach following the aliyah.
