“What’s the Value of College, Anyway?”

Our community clearly values college education. Join UCLA Hillel Executive Director **Rabbi Aaron Lerner** and College Consultant **Rebecca Stuart-Orlowski** as we ask several disruptive -- if not heretical -- questions. How should we be educating our children beyond secondary school? What effect does college have on our children's Jewish identity? What are the competing/conflicting values in sending them to college in a time of rising campus antisemitism? What is the true value of college, anyway?

YIZKOR MEMORIAL BOOK

Once again, as the Holidays approach, our thoughts turn to our loved ones who will not be with us, except in spirit. We honor their memory, and we cherish their dedication to the ideals of Judaism and their loyalty to the Jewish people, by inscribing their names in the Yizkor Memorial Book, which is presented during the Yizkor service on Yom Kippur. To commemorate your loved one(s) – parents, grandparents, aunts, uncles, friends – please visit:

SHAVUOT IN AUGUST??

Thank you again to all of the contributors and editors, and to Cindy Abrookin who oversaw the project! We want YOU for “The Shavuot Project: Second Edition”. Same deal as last year: Sign up to write an essay on any topic that you are interested in researching, and Rav Yosef or Rabbanit Alissa will be privileged to be your resource and chevruta as you research and write! ~How to get started?~ Please contact ravyosef@bnaidavid.com as soon as tonight to signal your desire to give this a shot. You're of course welcome to do this on your own too. Just let us know that you'll be doing so! So, not so crazy. Rav Yosef and Rabbanit Alissa
