**SOCIAL HALL UPDATE**

Construction continues at a rapid pace! A lot of our "behind the scenes" or more appropriately "behind the walls" work has now been completed. This week we moved on to dry-walling the big holes in the walls and prepping the space for painting. Our beautiful new built-in bookcase also was installed. This bookcase will allow us to have our siddurim, chumashim and benchers available at a moment's notice... for Shirat Chana, spontaneous Shabbat zemirot singing and more. In the coming final weeks, our walls will get a beautiful new coat of paint and our new carpet will be installed. We look forward to showing you the finished work!
