PESACH
2021/5781

Dear Customers

Enclosed please find Shula's Cuisine's streamlined menu for Pesach 2021. Please note the following:

We use sunflower oil and sunflower margarine.

Orders will be prioritised in chronological order of receipt. **Please make sure to put your name in the email subject box.** We will stop accepting orders once we reach our estimated capacity or at midnight on 28th February 2021, whichever occurs first.

All dishes will be cooked in batches to freeze and we might ask you to collect your order in separate parts. Since we will be unable to 'hold' food for any customers, please clear some space in your freezer straight after Purim to accommodate your Pesach food.

We will aim to supply your whole order but can't guarantee to do so. We will let you know

if there is a problem with any aspect of your order as soon as we can.

Nuts – one of our Pesach desserts contains nuts and we have marked it on the menu. We will use separate utensils and cloths but please assume that all dishes might contain traces of nuts.

Payment will be strictly online only. We will advise of cost when your order is ready, do please pay before collecting.

We continue to maintain the highest level of hygiene and observe all guidelines re COVID-19. Should it become necessary for us to isolate, we will shut down all operations and seek official guidance.

Finally, we wish you Pesach Kasher VeSameach and hope you enjoy the food.
