

## SHAVUOT TIMINGS 5778/2018

**Ner Yisrael is delighted to welcome RABBI ANTHONY MANNING as our Scholar in Residence over Shavuot.**

Rabbi Manning believes in engaging his students with a refreshing and nuanced approach to issues that are too often presented as "black & white". His lectures are carefully structured and based on a broad range of sources that he presents in detailed source sheets for each class. Rabbi Manning lectures widely in Jewish law, thought and business ethics at a number of educational institutions and communities in Israel, the UK & UK. He is the Director of the Midreshet Tehillah Seminary in Jerusalem.
