David's approach is a  
combination of poignant and  
affectionately shared insight.

*"Those of us who were raised in families  
of Holocaust survivors have learned  
that each individual survivor was  
unique in both their experience during  
World War II and in their struggle to  
make a new life in a world that could  
never fully comprehend who they were  
and what they saw. We, their children,  
have labored to try to understand our  
parents' history while also seeking our  
own path in contemporary society."  
– David Fuks*

David Fuks is an author, playwright and actor.  
He is a Holocaust educator and was CEO of
