Lotsa Helping Hands

There are times in our lives when all of us need some extra help, whether it’s because of a new baby or an illness. One of the wonderful things about being part of the Havurah community is that we can provide some help and support for each other.

Over the years, many Havurah members have needed a helping hand, and one way we have been able to help is by cooking and delivering meals. You can also request other kinds of help too such as rides to the doctor, grocery shopping, etc.

We are using an online tool (Lotsahelpinghands.org) to help make it as easy as possible for all of us to help others within our community even in the midst of our busy lives.

How you can get involved:

- Contact Havurah’s office at info@havurahshalom.org or 503-248-4662.
- Tell office staff that you want to be added to the Lotsa Helping Hands list
- You’ll receive an e-mail with instructions.

When someone in the community needs help:

- You will get an e-mail letting you know what is needed
- You click on the link and go to the website
- Sign up for what you are able to do
- You’ll get a reminder email
- You’ll deliver the meal, provide the ride, or whatever you are able to do.
