Shabbat School

Classes start on Saturday, September 22nd. Teaching teams gearing up for first quarter.

Currently Hebrew classes are only being offered in grades 3-5. The 6th grade families have expressed a desire to have Hebrew classes continue through 6th grade in order to have kids stay proficient with their Hebrew as they enter their Bnai Mitzvah preparation. Deborah was able to find a Hebrew teacher for the class and a small group of parents are working with this teacher to arrange the details of setting this all up. The goal is to continue this for all future 6th grade classes.

After the High Holidays discussions can take place that will involve Rabbi Benjamin, Deborah and perhaps the Bnai Mitzvah committee. The goal is to make the transition into the Bnai Mitzvah preparation more cohesive.

Shabbat School Co-Chairs Estee Segal and Deborah Wise are each dealing with ailing parents. These family obligations may affect their schedule of being able to be at Shabbat School. With Carrie Kirschner gone for the next few weeks along with Deborah and Estee, this leaves a gap in coverage on Shabbat School days. The idea was to reach out to class reps to help with coverage.
